Your Event Guide

Welcome! It all starts with your red-carpet-moment: Walk the red carpet, where you will be greeted by Federal Minister Norbert Totschnig. Afterwards, take the elevator to the first floor and enter our event space.

What awaits you:

Our main event space **„Marmorsaal“** has been transformed into an authentic Viennese coffee house.

Enjoy a variety of delicacies and taste Austrian wines in the **„Saal II“** area.

Explore the Forest-Meadow-Experience in the **„Foyer“** area and play your favourite Eurovision song on our jukebox.

Grab a drink or some freshly made popcorn in **„Saal III“**, while listening to traditional accordion music.

Try your luck at the Wheel of Fortune and capture special moments with our mobile photo booth robot.

Throughout the venue, you'll discover a wide selection of Austrian food and drink. Curious to learn more? Local producers will be on site and happy to tell you all about their products.

This is a **self-service event**, so please feel free to help yourself at the buffets.

Towards the end of the event, we invite you to take some leftovers home in our takeaway boxes.

We wish you a wonderful evening!
